## REQUESTS FOR RELIEF

You can ask the court for several types of “relief” (things you can ask the court to order) in an OFP. The first section below (#15 a-j) includes relief that does not require a hearing.

In the Matter of:

Michael Vincent Duncombe,  
Petitioner,

v.

James Michael Duncombe,  
Respondent.

**Emergency (Ex Parte)  
Order for Protection  
(Minn. Stat. §518B.01)**

---

TO: James Michael Duncombe, DOB 05/21/1993, Respondent named above:

Based on the Affidavit and Petition for an Order for Protection in this matter, **the Court FINDS:**

1. Protected Person(s) and Respondent are household or family members.
2. The Petition alleges an immediate danger of domestic abuse.
3. The following parties need an order for protection and are referred to in this Order as “Protected Person(s)”:  
 Petitioner

**Based upon these findings, IT IS ORDERED:**

1. A hearing will not be held unless requested by Respondent. Respondent has the right to request a hearing.

**IMPORTANT NOTICE TO PARTIES REGARDING EXHIBITS: If a hearing is set in this case, then it is not a violation of this order for the Respondent to upload and share exhibits through the Minnesota Digital Exhibit System (MNDES), or to send the exhibits to Petitioner by email or mail. Respondent shall not include any additional commentary, information or communication with the exhibits. Any exhibit that any party intends to offer at the hearing must be uploaded and shared with all parties via the MNDES system no less than 48 hours before the hearing. Failure to timely upload and share exhibits may result in the exhibit being excluded from evidence.**

2. The following relief is granted:
  - A. Respondent must not commit acts of domestic abuse against the Protected Person(s). This means that Respondent may not harm or cause fear of harm to the Protected Person(s), and that Respondent may not use, attempt to use, or threaten

to use physical force that would reasonably be expected to cause bodily injury to the Protected Person(s).

- B. Respondent must not have any contact with the Protected Person(s) whether in person, with or through other persons, by telephone, mail, e-mail, through electronic devices, social media, or by any other means.
- C. Respondent must not go to or enter the residence of the Protected Person. The address of the Protected Person(s) is confidential. **NOTICE: RESPONDENT MUST NOT ENTER OR STAY AT THE RESIDENCE OF THE PROTECTED PERSON(S) FOR ANY REASON, EVEN IF INVITED TO DO SO. IF RESPONDENT IS FOUND AT THE PROTECTED PERSON'S RESIDENCE, THE PROTECTED PERSON IS NOT IN VIOLATION OF THIS ORDER, AND THE ORDER REMAINS IN EFFECT.**

- 3. The Blue Earth County Sheriff's Office and the Mankato Police Department shall help Petitioner execute and/or serve this Order, without charge. Peace officers licensed by the State of Minnesota and correction officers, including, but not limited to, probation officers, court services officers, parole officers and employees of jails or correctional facilities may serve an Order for Protection. If the application for relief is brought in a county in which Respondent is not present, the sheriff shall forward the pleadings necessary for service upon Respondent to the sheriff of the county in which Respondent is present. This must be expedited to allow for timely service.
- 4. Under federal law, every Police Department and Sheriff's office in the United States, including Washington D.C. and tribal and territorial lands, is responsible for enforcing this order. Enforcement of this order may include, but is not limited to, assisting in obtaining physical custody of child(ren), removing Respondent from the residence, and getting property back from Respondent. 18 U.S.C. § 2265.
- 5. This Order will be effective for a period of 2 years from the date of this order, or until modified or vacated at a hearing.

**Notice to Respondent:**

- **You have a right to a hearing. If no hearing is scheduled and you want a hearing, you must request one within 5 days of service of this order by completing and returning the "Request for Hearing" form to court administration.**

- **A police officer shall arrest you and take you to jail if the police officer believes you have violated this Order and shall hold you in jail for at least 36 hours excluding the day of arrest, Sundays, and holidays, unless you are released by a judge or judicial officer.**

**If a hearing is scheduled, be prepared on the scheduled date. You may be asked to testify at that time or depending on the Court's calendar the hearing may be rescheduled. You should bring any available documentation, such as police reports (certified copies), hospital and doctor reports, pictures, witnesses, or other items. You may not be able to use written reports, affidavits, or statements from persons who are not at the hearing as witnesses.**

**If an Order for Protection is issued, the Court must consider the Order in making a decision in any parenting time (visitation) proceeding, if requested by Petitioner.**

**IMPORTANT NOTICE TO PARTIES REGARDING EXHIBITS: If a hearing is set in this case, then it is not a violation of this order for the Respondent to upload and share exhibits**

through the Minnesota Digital Exhibit System (MNDES), or to send the exhibits to Petitioner by email or mail. ## James Duncombe's Mental Health Crisis

My Mom and Aunt,

I am emailing both of you BCC for confidentiality. If both of you wish not to communicate directly I don't care, but I need my Mom and Aunt to help their son and nephew help his little brother. We can no longer brush this under the rug. I am asking for your help. I don't care what happened in the past as rational adults must address this matter without emotions.

I shared with both of you what James has written to me trying to get help from both of you and what you may have shared with him about what I said has led to more disturbing messages. I have attached 10 pages of these messages that forced me to file an Order of Protection against James Michael Duncombe that will soon be served and/or publicized. Once the Order of Protection is either served and/or publicized then anyone that has *Knowledge of the Order* does not only have the moral obligation to notify the 'petitioner (me)' if the order is violated, but a judge may consider *Knowledge of the Order* in the matter in which a Criminal Case is filed. At this rate this matter WILL become a Criminal Case in which the justice system will not be considerate of a person with the background that James has with the transcripts of direct messages to "kill my brother" and "take his body before the liquor does." The only escape would potentially be an insanity plea, but Good Luck with that.

This is not a criminal case yet, but WILL be if the order is not followed. Right now this is a Case of Mental Health and let's keep it this way.

Everything in which I share with you from here on out needs to be handled as a Case of Mental Health for anything you say or don't say can and will have dire consequences.

As both of you have experienced a Case of Mental Health with your sister- how can we go about addressing this matter so the results are not the same, if not worse, one in which innocent victims are involved. I am more than willing to be a part of any immediate family therapy/counseling sessions to provide the platform to free the conscience from the trauma that has built up caused by Vincent Lionel Duncombe, but it will have to be completed virtually for me as the Order of Protection will be enforceable for multiple years.

I have kept this matter between Franciska and I who has not yet shared the direct messages through her Facebook Messenger with her children as threatening to destroy our place of residency (her home) which is her place of employment. Any child would become enraged and fearful for the safety of their Mother which will lead this case even further down the abyss. This matter can so quickly turn into a whirlpool that no one will get out of unless we handle this in a civil manner as a Case of Mental Health- NOW.

Help me.

RE: James Michael Duncombe  
County Attorney File No.: . 0108212.

Dear Michael Vincent Duncombe:

Our office has reviewed the police reports and other related documents which were provided to us by the Mankato Department of Public Safety. The decision was made to decline prosecution for the requested charge of threats.

The evidence does not rise to the level needed to support criminal charges.

The burden of proof required in a criminal case is "proof beyond a reasonable doubt." This can be a difficult burden to obtain. Also, a defendant does not have to prove anything, the burden of proving a defendant guilty rests entirely on the State.

If you have any questions or concerns about the case, I am happy to discuss them with you at your convenience.

Sincerely,

## James Duncombe's Mental Health Crisis

---

Sun, Jul 14, 2024 at 8:50 PM

Donna,

There is no longer ever a reason to say 'luv mom.'

My path in life is my path in life and I shall face the consequences of my decisions.

I asked many times over the past years for you to provide the opportunity to get together with my biological brother in a neutral location to begin reforming our relationship and you have never acknowledged or even responded to any of those requests. I tried working with my biological brother to help him build his own Brand Business (Bro2God) and for whatever reason it was not in his interest. I always communicated that one day I would be back with a business for us to run and once I returned to present two business shirts, business notebooks, and a copy of my Will, The Truth would reveal itself as here we are. I offered to address this matter in a competent and civil manner and once again you blamed me for an action that you are committing- deflection.

You have not asked me in 10 years anything about my existence so your claims reveal how much wickedness and vindictiveness that you have within your own mind and conscience. You and my biological brother hopefully are now at peace as you have been able to free your conscience. For a person or people to be so obsessed with someone else's path and making sure they 'know' about it- may constitute as a Mental Disorder.

- I never imagined at this chapter in my story that my dad would run away from all his decisions and use the mirage of death to free his conscience.
- I never imagined at this chapter in my story that my biological brother would write 10 pages of Felony Terroristic Threats to murder his biological brother and my biological mom would NOT ONE TIME condone the behavior. I shared the transcripts with you and what you do with it is your choice as they are permanent records; Permanent records in which you *could* be found guilty as a co conspirator so I suggest you take things seriously.
- My moms legacy will be one of the darkest as I will forever in my conscience know that she never once CONDONE her second born son from the Felony Terroristic Threats to murder his biological brother. You as a mom may one day have to explain that to your peers of moms and dads.
- In this chapter I have to accept that GOD blessed me with a good Mom and Dad, but irresponsible parents.

As a responsible parents it is your responsibility to have your affairs in order for when it is your turn to pass-through for your children. As both my parents failed to be responsible, I have

learned from their decisions. I am providing you pages 33-35 of the executed Will of Michael Vincent Duncombe: 'Immediate Familial Amendment.'

What it means is that this is our last communication as I have my affairs in order with established executors that have granted authority, *by law*, to enact The Will of Michael Vincent Duncombe and the 'Immediate Familial Amendment' that states:

"In the case in which, I, Michael Vincent Duncombe, pass-through, if either of my immediate biological family which includes my mom, Donna Denise Duncombe (DOB: 6/7/1964), or brother, James Michael Duncombe (DOB: 5/21/1993), are living, neither of them SHALL BE PERMITTED TO PARTAKE, PARTICIPATE, VIEW, OR BE INVOLVED BY ANY MEANS IN, OR, OF, THE PLANNING OR EXECUTION OF THE FULFILLMENT OF PURPOSE CELEBRATION expressed on page XXVIII of The Will of Michael Vincent Duncombe. If law enforcement needs to be present in order to ensure the Immediate Familial Amendment if fulfilled then the Hierarchy of Executorship, appointed Trustees of The Trust of Michael Vincent Duncombe, and any other person(s) amended to The Will of Michael Vincent Duncombe has jurisdiction to establish an enforcement agency."

I am asking that effective this 14th day of July in the year 2024, that I receive no more communication from my biological mom and/or my biological brother or I am going to have to proceed further to ensure that I am no longer subject to Terroristic Threats and Harassment.

## End of My Physical Life Plan

---

Tue, Jul 16, 2024 at 10:08 AM

Donna,

I have attached the executed section of The Will of Michael Vincent Duncombe: 'End of My Physical Life Plan.' This section, by law, grants jurisdiction for ALL of my end of life decisions including in the case of being in a Coma or Vegetable State that has me on life support, to ONLY be fulfilled by the following person(s):

"The Hierarchy of Executorship, assigned doctor(s), the appointed Trustees of The Trust of Michael Vincent Duncombe, and any other person(s) amended to The Will of Michael Vincent Duncombe, must consent to make the decision when to remove me from life support based on the following conditions and criterion..."

Therefore, what this means is that my biological mom and biological brother, or any other person(s) not amended to the Will of Michael Vincent Duncombe shall even be required to be notified of my illness or passing. Also, The Immediate Familial Amendment that I attached by email sent to you on July 14th, 2024 @ 8:50pm, forbids my biological mom and biological brother, by law, to be included in any other matters associated with the End of My Physical Life Plan.

The Hierarchy of Executorship and other pertinent members that shall be established to fulfill the Will of Michael Vincent Duncombe, have on file with instructions to provide in the rare case of probate, the detailed transcripts to the assigned Judge from both my biological mom and biological brother beginning May 9th, 2024, that include the never ONCE condoned Felony Terroristic Threats and verbal assassination of their biological son and biological brother- Michael Vincent Duncombe.

(for federal reporting purposes)

*Address:*

I am requesting that my address be kept confidential by submitting the completed *Confidential Address/Phone Request* form (OFP107) to the court.

*Phone Number:*

I am requesting that my phone number be kept confidential by submitting the completed *Confidential Address/Phone Request* form (OFP107) to the court.

**2. Email Notification of Service**

By providing my email address below, I ask to be notified by email when the respondent is served with the OFP. I understand that:

- This is the only email I will receive from the court about the OFP unless I have signed up to receive other court notices via email,
- It will only be possible for the court to notify me by email when service information is received by the court,
- A technical or other error could happen that prevents the successful delivery of the email,
- I have other options to learn of the service of the OFP on the respondent, including contacting law enforcement directly, and

- I must provide a valid email address in order to receive this notification of service.

THIS EMAIL ADDRESS WILL BE SEEN BY THE RESPONDENT:

Email address:

3. Who needs protection?

Me

**MINOR CHILDREN**

4. Do you have any minor children with the Respondent who are not listed at #3? No.
5. Are there any other minor children living with you that are not listed above at #3 or #4? No.

**RESPONDENT**

6. Respondent Information:

Name: James Michael Duncombe

Address: 8150 West River Road, Brooklyn Park, Minnesota 55444

Telephone: (612) 889-7367

Race: African American Gender: Male

Date of birth: May 21, 1993

(for federal reporting purposes)

7. How does the person needing protection know the Respondent?

Related by blood (brothers)

**OTHER COURT CASES**

8. Is there an OFP in effect now between you and the Respondent? No.

9. Orders for Protection no longer in effect:

Have you had an OFP against Respondent in the past? Yes, I obtained an Ex Parte OFP on June 14, 2024 in Blue Earth County, but it was not able to be served so it expired.

10. Now, or in the past, have you and Respondent been jointly involved in **other family court cases, domestic abuse criminal cases, or harassment restraining order cases**? No.

### **WHAT HAPPENED?**

11. Why do you need an OFP?

- a) I obtained an Ex Parte Order for Protection against the Respondent on June 14, 2024 in Blue Earth County. I was not sure of the Respondent's home address and apparently the one that I provided was incorrect, so the Hennepin County Sheriff's deputies were not able to serve the OFP to the Respondent. My OFP expired because it was not served within fourteen days of it being issued. I took some extra steps to obtain a better address for the Respondent's home and place of employment before I submitted this new Petition so he could be served as I need the OFP to be enforced if he contacts me again.
- b) On June 28, 2024, the Respondent sent me two offensive messages via email after threatening to kill me two weeks prior. His repeated aggressive and threatening contacts cause me fear that he is going to physically harm me. The first email was sent at 10:21 PM and had statements where he told me I was a "soft ass little boy." He also stated, "you come into my home that I pay for unlike your pathetic ass and disrespect me nigga? Your out of your fucking mind," and "everyone knows your a low life alcoholic so idk even know what to tell people anymore ahha. Trash trash trash dude." The second email was sent at 10:25 PM, where he called me a "Dumb ass," and "your a fucking ash tray!"
- c) On June 13, 2024, the Respondent sent several threats to me via Facebook Messenger. In these messages he threatened, "You think telling mommy what i said is gonna stop me from fucking killing you!" and "I am going to collect your body before the liquor does," and "wait until I catch you alone and your gone forever!!!!" and "I would hide if I were you." He also called me a "fucking scumbag," a "little fucking bitch" a "drunk loser," and a "little insecure suicidal bitch." These threats cause me to fear for my physical safety.

d) On May 9, 2024, Respondent sent threatening messages to me through my partner. In these messages he threatened my life by stating, "...because when no one's watching i will kill that waste of human flesh," as well as, "Michael I'm fucking you up when I see you, you fucking nobody," and "figure out how to get my money or it's over, you bitter piece of trash MDNobody. I'm not fucking playing I'm ready to die and I'll take you with me Michael." He also threatened my partner and me, stating, "I become increasingly more aggressive to the both of you starting today I'm not fucking playing around. That bitch needs to kill himself because he serves no purpose on this planet." These threats made me afraid that he would harm me and my partner if we ever encountered him somewhere.

12. Besides the recent incidents, if you want the court to know about any **history of abuse** by Respondent, you may briefly explain that history here:

13. Do you believe that domestic abuse will continue and that you are in immediate danger? Yes.  
I believe that domestic abuse will continue if I do not get an Order for Protection because the Respondent has continued to send messages that threaten my life and demean me. He has shown complete disregard to my requests to stop his threatening communications.

14. Does Respondent work or attend school at the same place as you? No.

### REQUESTS FOR RELIEF

You can ask the court for several types of "relief" (things you can ask the court to order) in an OFP. The first section below (#15 a-j) includes relief that does not require a hearing.

The second section (#16 - #22) includes relief that the court cannot order unless there is a hearing first.

#### Relief that does not require a hearing

I understand that asking for things in #15 (a) through (j) *does not* require a hearing to be held.

I understand that if the court issues an Ex Parte Order (an order based only on your *Petition*), the judicial officer (judge or referee) *may* set a hearing and/or the Respondent *may* request a hearing.

I understand that if the court does not issue an Ex Parte Order, the judicial officer may either dismiss the matter or set a hearing, *unless you do not want a hearing*.

If the court does not issue an Ex Parte Order:

- I want a hearing.
- I do not want a hearing; I understand there will be no Order issued, and this case will be closed.

**Based on this *Petition*, I ask the court for the following:**

15. I ask the court to issue an Ex Parte Order for Protection to protect all persons listed at #3, and to order the things I check below in (a) through (j):

- a.  Order Respondent not to physically harm the protected persons or cause the protected persons to fear immediate physical harm.
  
- b.  Order Respondent to have no contact with the protected person(s) whether in person, by telephone, mail, e-mail, through electronic devices, social media, through a third party, or by any other means, except as follows: No exceptions.
  
- c. Order Respondent to stay away from:
  - i.  My home and any future residences.  
My home address is CONFIDENTIAL;  
 A reasonable area surrounding my home, specifically one fourth (1/4) of a mile, if the Respondent learns of my address or once he knows my address.
  
- d.  Order Respondent not to call or enter my workplace at the following locations:  
The address is CONFIDENTIAL.
  
- e.  Order Respondent to continue all currently available insurance coverage without change in coverage or beneficiaries.
  
- f.  Order the possession and care of a pet or companion animal as follows:
  
- g.  Order Respondent not to physically abuse or injure any pet or companion animal, without legal justification, known to be owned, possessed, kept, or held by either party or a minor child residing in the residence or household of either party as an indirect means of intentionally threatening the safety of such person.
  
- h.  Direct local law enforcement to provide the following assistance:

**Relief that requires a hearing**

In addition to what you asked for in #15, you may ask the court to order any of the relief listed below in #16 through #22. NOTE: a hearing must be held if you ask for anything listed below:

**Temporary Custody and Parenting Time**

16. Do you want temporary custody or parenting time ordered for joint minor children? No.

**Financial Support**

17. Do you want the court to order Respondent to financially support you or joint children? No.

**Property**

18.  Award me temporary use and possession of personal property (describe the property):

Order Respondent not to dispose of or destroy the following property: \_\_\_\_\_

**Restitution**

19.  I am not asking for restitution.

**Counseling, Treatment, or Services**

20. Do you want Respondent to attend counseling, treatment or other social services? No.

**Firearms and Ammunition**

21.  Prohibit Respondent from shipping, transporting, possessing, or receiving any firearms or ammunition.

**Extended Time Frame for OFP**

22.  Issue the OFP for a period up to 50 years because:

Respondent has violated a prior or existing OFP on two or more occasions.

Petitioner/protected person has had two or more OFPs in effect against this Respondent.

23. Grant other relief at the time of the full hearing as the court finds necessary for the protection of a family or household member, including orders or directives to law enforcement agencies.

I declare under penalty of perjury that everything I have stated in this document is true and correct. Minn. Stat. § 358.116.
